RESEARCH ACTIVITIES

My main research activities are gut microbiota and its therapeutic modulation, with a special focus on fecal microbiota transplantation.

In this field, I have achieved the following outcomes:

- Publications and grants (as outlined below)
- Coordinator/secretary of consensus conferences and position papers on fecal microbiota transplant (e.g. PMID: 28087657; PMID: 31563878; PMID: 32192627; PMID: 32620549; PMID: 33571456)
- 4th expert worldwide on fecal microbiota transplantation and 10th expert worldwide on gastrointestinal microbiome according to the website Expertscape (www.expertscape.com)
- Lead Author of the UEG e-learning course “Faecal Microbiota Transplantation”
- Course Director of the UEG Basic Science Course 2017 “Gut microbiota: relevance, analysis, modulation”

TEACHING ACTIVITIES

- 2016-now: Practice lessons, Gastroenterology course/Catholic University of Rome
- 2016-now: Lectures, Gastroenterology Postgraduate School/ Catholic University of Rome
- 2018-now: Lectures, English Gastroenterology course/ Catholic University of Rome
- 2018-now: Lectures, Master on digestive disorders/ Catholic University of Rome
- 2021-now: Lectures, Gastroenterology course/ Catholic University of Rome

INSTITUTIONAL RESPONSIBILITIES

- 2020-now: Faculty member, Postgraduate School in Gastroenterology/CUR
