

# GIUSEPPE MARINO

Università della Calabria Firenze

giuseppe.marino@unical.it

---

## Curriculum Vitae

Date of Birth: July 12, 1956 Place of Birth: Longobucco, Italy Citizenship: Italy

Marital Status: Married

Number of Children: 3 (February, 1982; March, 1983; May, 1989) Academic Degree: Master in Mathematics

Academic Rank: Full Professor (since November, 2000) Mailing address: Dipartimento di Matematica, Università della Calabria, 87030 Arcavacata di Rende (CS) Italy

## Employment

11/1982 – 11/1983	Lecturer, Dipartimento di Matematica Università della Calabria, Italy
3/1984 – 10/1992	Assistent in Mathematical Analysis, Dipartimento di Matematica Università della Calabria, Italy
11/1992 – 9/2000	Associate Professor in Mathematical Analysis, Dipartimento di Matematica Università della Calabria, Italy
10/2000	Full Professor in Mathematical Analysis Dipartimento di Matematica Università della Calabria, Italy
03/2014	Distinguished Adjunct Professor at King Abdulaziz University, Jeddah, Saudi Arabia

## Membership Of Professional Organizations

Member of the Unione Matematica Italiana (UMI)

Member of the Società Italiana di Matematica Applicata e Industriale

Member of GNAMPA (National Group of Mathematical Analysis, Probability and Applications)

Chief of the Project "Functional Analysis and Applications" (University of Calabria, 13 members)

Chief of the Project "Piano Lauree Scientifiche" Ministero della Pubblica Istruzione Italy

## Research Interest

Axiomatics of Quantum Mechanics Geometry of Banach spaces

Existence of fixed point for nonlinear mappings Convergence of sets

Abstract form of Cauchy-Kowalewska Theorem Operator Theory

Boundary Valued Problem

Iterative methods for finding fixed points and/or equilibrium points
